

# The Ontario Archaeological Society (Inc.)

The Annual Meeting and Election of Officers of The Ontario Archaeological Society will be held on Thursday, January 14th, 1960, in St. Paul's Parish Hall, 227 Bloor Street East, Toronto, at 8 P.M.

---

In addition to the important business of selecting the Society's Executive Committee for 1960 ("E.S.A.F. YEAR"), the agenda will include an item of interest to our members in general:

GUEST SPEAKER: RICHARD PEARSON

(Anthropology student - U. of T.  
and O.A.S. member)

SUBJECT: "SURVEY AND RECONNAISSANCE IN  
HAWAII AND KAUAU"

(illustrated)

---

We hope to see a good attendance at this meeting, where both the causes of business and pleasure will be served!

---

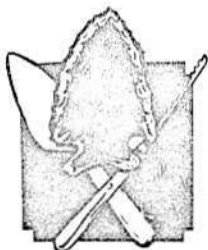

REMINDER: donations to the O.A.S. are exempt from Income Tax.

---

461 Eglinton Ave. East, Toronto 12.

*W. Marshall*  
Secretary.  
HU.1-4604.

# The Ontario Archaeological Society (Inc.)

On Thursday, February 11th, 1960, the regular meeting of The Ontario Archaeological Society will be held in St. Paul's Parish Hall, 227 Bloor Street East, Toronto, at 8 P.M.

Periodically in every Society there comes a time when the Constitution should be reviewed in detail, and any necessary amendments made; such is the case now with the O.A.S. During the course of the past two years the Aims Committee, under the Chairmanship of Mr. Frank Mee, our current President, has devoted much time and thought to this particular subject, and has relayed to the Executive Committee certain recommendations for presentation to the membership at large.

Discussing and revising our Constitution is an important business phase of this Society, and is something in which there should be active Member-participation.. Sooo--- let us have a good attendance next week!

-----

At the conclusion of the business session, Mr. Murray Corbett will give a brief discourse on the Blackfeet Indians --- who are they? in what area did they settle? when? what about them?

-----

"Lab" reminder:

paleopathology: Tuesday, February 9th - Department of Anatomy, as usual

Tuesday, February 23rd - " " "

pottery: dates to be established at Thursday's meeting.

-----

461 Eglinton Avenue East,  
Toronto 12, Ontario.

*Keith Marshall*  
Corresponding Secretary.

# The Ontario Archaeological Society (Inc.)

On Thursday, March 10th, 1960, the regular meeting of The Ontario Archaeological Society will be held in St. Paul's Parish Hall, 227 Bloor Street East, Toronto, at 8 P.M.

---

At our February meeting there was not time to include a talk on the Blackfeet Indians, by Mr. Murray Corbett, so we shall look forward to hearing it on this occasion..

---

As soon as weather and roads permit, we plan to resume our site survey in the Rouge Valley. With this in mind, and also for the benefit of our newer members who have not participated in this type of field work, your Secretary will outline briefly the Society's activities in this area to date, assisted photographically by Mr. William Renison..

---

Old and odd bones are still being discussed and examined, poked and prodded, measured and murmured over --- every other Tuesday night --- at Dr. Anderson's lab in the Anatomy Building --- March 8th. and 22nd. are the dates for this month. Dr. Anderson has spent much time and effort in preparing these "lab sessions" for us, and it is pleasing to be able to report that membership attendance has been quite satisfactory.

---

Arrangements for pottery sessions are under way; an announcement will be made on Thursday.

---

461 Eglinton Avenue East,  
Toronto 12, Ontario.

*Ruth Marshall*  
Secretary.

# The Ontario Archaeological Society (Inc.)

On Thursday, May 12th, 1960 at 8 P.M., the regular meeting of The Ontario Archaeological Society will be held in St. Paul's Parish Hall, 227 Bloor Street East, Toronto.

GUEST SPEAKER: DR. JAMES E. ANDERSON  
(Assistant Professor of Anatomy, University of Toronto, and an O.A.S. member.)

SUBJECT: "DEAD MEN TELL TALES"  
(Illustrated)

The title is not misleading, since the laboratory analysis of skeletal material yields much information relative to the age of the bones, the sex, diseases, modes of life of the "deceased", and so forth.. Those of us who attended Dr. Anderson's lab sessions this past winter can attest to the fact that not only is there much to be learned from "dem bones" but also that there are many facets indeed to the study of paleopathology..

We would like to mention at this juncture our recognition and appreciation of the time, effort and thought which Dr. Anderson so evidently put into the preparation of his labs and lectures, and to say how much we profited by and thoroughly enjoyed the hours spent with him on the 2nd. and 3rd. floors of the Anatomy Building.

-----

Let's come out in full force for this our last meeting before summer - the topic is interesting and the speaker both interesting and interested!

-----

DON'T MISS: Saturday, May 14th, 1960, the date set for the joint meeting of the Ondiara and Morgan Chapters of the New York State Archaeological Association and The Ontario Archaeological Society, to be held at the Niagara County Historical Center in

Lockport, N.Y. This is the third joint meeting of the Morgan Chapter and our Society. Our hosts have worked hard arranging the details for the programme which is enclosed, and we know from previous experience that this will be an event well worth our members' while.

Will those who plan to attend please contact your Executive, as soon as possible, so transportation can be arranged.

-----

The subject of Life Membership in the Society has been brought to the floor of our last two meetings. At the April meeting there was a motion that the fee be \$35.00; after discussion this was amended to \$50.00, and after additional discussion the decision was to table the matter for further discussion at the May meeting.

Since this subject is one which pertains to our membership at large we would like to have as many expressions of opinion from our active members as possible, before a decision is reached. May we hear from you in this connection?

-----

Donations to the O.A.S. are exempt from Income Tax.

-----

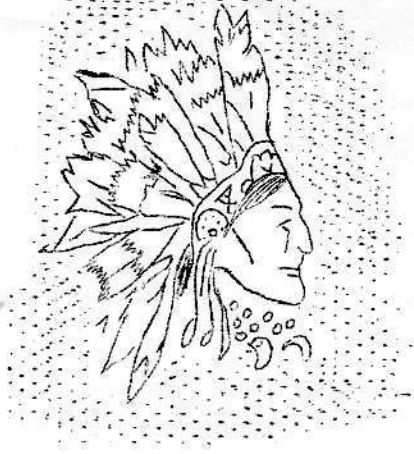

461 Eglinton Avenue East,  
Toronto 12, Ontario.

Corresponding Secretary

# The Ontario Archaeological Society (Inc.)

On Thursday, September 15th, 1960, The Ontario Archaeological Society, Inc. will hold its regular meeting in the parish hall of St. Paul's Church, 227 Bloor Street East, Toronto, at 8 P.M.

---

GUEST SPEAKER: MISS PHYLLIS BOWLAND  
(an O.A.S. member)

SUBJECT: "VERULAMIUM"  
(Illustrated)

Miss Bowland spent some time "digging" in England this past summer, and has an interesting story to recount to us.

---

Plans will be discussed in connection with:

- (1) the Annual Meeting of the Eastern States Archeological Federation on October 29th. and 30th. (details will be outlined in the forthcoming edition of "Arch-Notes");
  - (2) the O.A.S. fall "dig" in September;
  - (3) a pottery session at the home of William Donaldson on Friday, Saturday, or Monday, September 16th, 17th, or 19th.
- 

This our first "winter" meeting of the O.A.S. will have both its educational and its practical side, and we hope to see many of our members in attendance.

---

Members' friends welcome.

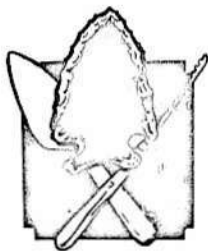

461 Eglinton Ave. E.,  
Toronto 12, Ontario.

*Shirley Marshall*  
Corresponding Secretary.

## MEMORANDUM TO ALL MEMBERS!

1960 - OCTOBER 29th. and 30th. - Almost at hand is this date for the Annual Meeting of the Eastern States Archeological Federation, held this year in Toronto at the invitation of the Ontario Archaeological Society. Not only does this event mark the first meeting outside of the States in the Federation's 27-year history, but it also marks the 10th. anniversary of our Society!

-----

We look forward to seeing many of our members at this important meeting, to be held in the Royal Ontario Museum theatre and in the Debates Room at Hart House, University of Toronto. Included in the programme are:

1. a discussion of Iroquoian origins
2. a projectile point symposium
3. contributed papers dealing with sites in various States and in Ontario
4. our own Dr. James E. Anderson, as Banquet Speaker, whose topic will be: "Bones and the Archaeologist" (Illustrated).

In addition to displays of artifacts in the Theatre, there will be a photographic display in the lower rotunda with submissions from several Member Societies, along with photos of the Museum's "Miller Site".

-----

Kindly refer to the "Announcement Concerning Annual Meeting for 1960" which was mailed to each member. Detailed programmes of times and events will be available at the Museum Theatre upon registration.

-----

Members' friends welcome.

461 Eglinton Avenue East,  
Toronto 12, Ontario.

20/10/60

*Ruth Marshall*

Secretary.

THE ONTARIO ARCHAEOLOGICAL SOCIETY INC.

The regular meeting of The Ontario Archaeological Society will be held on Thursday, November 10 th, 1960, at 8 o'clock p.m. in St. Paul's Parish Hall, 227 Bloor Street East Toronto.

At our September meeting Miss Phyllis Bowland, gave us a partial resume of her "summer in Europe" when she presented a first-hand account of the "dig" at the Roman site of Verulamium in England.

On Thursday, Miss Bowland will complete the tour by taking us to the Continent and will show us some of the interesting things she saw there.

-----

Dates for the Pottery and Bone labs will be established at this meeting.

Members friends are welcome.

G. Ruth Marshall,  
Corresponding Secretary,  
461, Eglinton Ave. East,  
Toronto 12.

THE ONTARIO ARCHAEOLOGICAL SOCIETY, INC.
